EXPECT DAUGHERTY TO QUIT

Heavy Toll Taken By Storm Throughout East

THREE KNOWN DEAD AS RESULT OF BLIZZARDS

New York and Atlantic Sea Coast In Grip of Worst Snow Storm of Season.

SCORES SUFFER INJURIES

One Hundred Mile Gale Sweeps Seas; Many Towns Are Inundated.

NEW YORK, Feb. 21.—Three persons are dead as the result of the worst snow and sleet storm of the season, which today buried New York and the whole north Atlantic coast section under a blanket of snow.

Joseph Sanders, 45, was killed as he walked into a truck, head on, to shield his face from the driving rain. Max Huffat, 60, and Frank Wiedersheim, 40, collapsed from exhaustion after tramping through the heavy slush, which compelled wading at street intersections.

Scores were injured by falling on slippery pavements and in automobile collisions. A 100-mile gale swept the seas and churned up waves of great height. They pounded the shore towns, leaped over breakwaters and seawalls and inundated many towns for distances as great as a quarter of a mile from the beaches. Trains en route from the West are running several hours late.

PITTSBURGH, Pa., Feb. 20.—Snow sleet and rain pouring on ice-covered streets and roads combined to give Pittsburgh and surrounding territory its worst storm of the winter. One death has resulted, numerous injuries to persons from falls and automobile collisions have been reported, and traffic generally is at a standstill.

BECKLEY, W. Va., Feb. 20.—One death and property damage estimated at more than \$100,000 resulted from a sleet storm which swept over Raleigh and adjacent counties.

Suffers Injuries In 20 Foot Fall

Henry Bever, former resident of this city and a brother of Mrs. John W. Phillips of Richmond, was seriously injured Saturday when he fell twenty feet from a scaffold and suffered a fractured skull. Bever was working at Gardens near Long Beach. Bever formerly resided at both Stege and this city.

Messenger Is Held At Bay By Three Lions

CHICAGO, Feb. 20.—An impromptu lesson in lion training today came to Thomas Anderson, an express messenger, who had been detailed to accompany three full-grown lions from St. Paul to a menagerie at Solers, Md.

Somewhere between St. Paul and Chicago the lions charged their way out of their wooden cage in the express car. Anderson leaped from the moving train and telegraphed ahead that the train be met by season lion tamer when it reached Chicago. When the train stopped armed guards found the lions charging the door of the express car.

A. E. Scheet, animal trainer in a vaudeville act, shooed the lions back into their cage and repaired it. While they were at liberty in the express car the lions had feasted on three real carcasses and smashed four crates of eggs.

Judge Expresses Appreciation For Support

Expressing appreciation of the pledge of support given in a resolution by attorneys, made public Tuesday, Superior Judge H. V. Alvarado yesterday addressed the following letter to the Contra Costa Bar Association:

J. E. Rodgers, President of the Contra Costa Bar Association, and to the members of said association, Gentlemen: I appreciate, indeed beyond expression your endorsement of my candidacy as Superior Judge of Contra Costa county for the unexpired term. The unanimous endorsement received at your hands, makes the privilege of running for the office, as well as duty, which I will gladly undertake.

Hoping and trusting to always merit the confidence you have reposed in me, I remain Very respectfully,
H. V. ALVARADO,
Superior Judge.

Trial Of Rioters Is Postponed By Judge

MARTINEZ, Feb. 20.—Failure of necessary witnesses to appear yesterday afternoon caused Justice of the Peace Frank Glass to continue indefinitely cases arising from arrests made in the Port Costa riot of two weeks ago. The defendants appeared for hearing yesterday afternoon, and several witnesses also were in attendance, but a number of material witnesses were lacking. The six defendants, facing charges of assault with intent to murder and liquor possession, are free on bail aggregating \$18,000.

Promises To Work; Freed of Charge

The promise to secure employment and contribute to the support of his children, won freedom for John Hindak, 466 Twenty-first street, when he appeared before Justice of the Peace John Roth yesterday to answer to a charge of failure to provide. Hindak was released on his own recognizance.

LICENSE OF TUT EXCAVATOR IS CANCELLED

Egyptian Government Calls Halt On All Work In Valley Of Kings.

CAIRO, Egypt, Feb. 20.—The dispute between the Egyptian government and Howard Carter over the conduct of the work on Tut-Ankhamun's tomb was suddenly terminated today by a ministerial order cancelling the license of Countess Carnarvon under which Carter was operating. It is believed here that this action ends Carter's connection with the most wonderful of all Egyptian archaeological discoveries, unless, as has been intimated, there is recourse to legal procedure.

The ministerial order after tracing recent events which have already been cabled in detail, describes Carter's action in closing the tomb and abandoning the work as a grave infraction of the obligations assumed by him. Moreover, it contends that as Carter himself has avowed, it exposes the treasure to irreparable damage and thus gives the government the right to cancel the license.

Rodeo Citizens Plan To Improve City Conditions

Citizens of Rodeo are making extensive plans to build up and beautify their town, according to the statement given out by Dr. C. R. Blake, county health officer, who returned yesterday after making an inspection of the cities of the county.

Previous to this crusade that the people of Rodeo recently started to clean up their city, conditions have not been the best. Blake asked the people to remedy the unsanitary conditions about the city and they joined in with every one working to make conditions better. The vacant lots have been cleaned of trash and trees have been planted in various parts of the town to beautify it.

L.A. Man To Address Rotary

George Wessels, business expert of Los Angeles, will be the principal speaker at the weekly meeting of the Rotary club, which will be held this noon. Wessels will speak on the subject: "Sales and Service Problems." The luncheon will be held today instead of Friday as usual, because of Washington's birthday interfering.

This will be one of the best talks that the local Rotarians have had a chance to hear this year. The program is in charge of J. F. Galvin.

HUSBAND ROUTED WITH GUN IN FAMILY DISPUTE

Police Claim Wife Emptied Revolver At Fleeing Form Of Spouse.

NO CASUALTIES REPORTED

Neighbors Send In Call for Officers; Woman Declared Victim In Argument.

What police say was merely a family argument, resulted in residents of North Richmond sending in a plea for the riot squad of the local department yesterday afternoon. Investigation disclosed, police claim, that Mrs. Mamie Lee Green, colored, had won a temporary, if not lasting victory, over her husband, Harvey Green, when she emptied the contents of a .28-calibre revolver at the fleeing form of her spouse. None of the shots took effect.

Inspectors Wiley and Shirley responded to the call, but found that peace again reigned supreme, for Harvey Green had departed for San Francisco, leaving word that he would return when his wife had calmed down. Both Green and his wife are said by officers to have figured in Police court at various times on charges of disturbing the peace. Neighbors explained their anxiety by saying that Mrs. Green was a poor shot. No arrests have been made.

El Cerrito Woman Asks Divorce On Cruelty Charge

When Frank G. Smallwood, of El Cerrito and his wife, disagreed on November 5 last in a discussion of property rights, Smallwood obtained his revolver, snapped the trigger and brandished the weapon in a threatening manner. Mrs. Smallwood charges in suit for divorce she instituted at Martinez yesterday. During the discussion, Mrs. Smallwood alleges, her husband berated their son, William, 25, when he objected to remarks his father directed to his mother. Mrs. Smallwood alleges her husband, whom she married in 1897, frequently refused to talk for long periods and never spoke to his son, Theodore, aged 18 years. Mrs. Smallwood asks alimony of \$100 monthly and custody of three minor children.

Many Richmond members of the Y. M. C. A. will journey to Oakland on Friday night to attend the meeting of the East Bay councils at the St. Francis de Sales school in Oakland. The meeting will be in the form of a Washington birthday program and social.

The various bay councils will meet in a body at St. Patrick's church at Tenth and Adeline streets, Oakland, at 7:30 p. m. They will then attend mass in a body. At 8 o'clock a meeting of the organization will be held at the St. Francis de Sales school. Brother Leo of St. Mary's College will address the meeting. The topic of his address will be "The Life of Washington."

ARTIST'S CONCEPTION OF TEAPOT DOME SCANDAL'S SIZZLING EFFECTS ON THE CAPITOL IN WASHINGTON

President Of C. of C. Host 'At Luncheon

H. A. Johnston, president of the Richmond Chamber of Commerce, was host yesterday at a luncheon given for the directors of the local chamber at the Elks Club. A ham, which Johnston won at the Bay conference of the secretaries of the chambers Saturday was prepared by Max Sherman, steward of the Elks club, for the luncheon.

Johnston won the ham for making the best response to the roll call at the conference last Saturday in Oakland. The ham was donated by M. Orr, Inc.

Yesterday's meeting of the directors devoted its time to committee reports and completed plans for the opening of the chamber offices in Tenth street.

Guy W. Wolfe, newly appointed manager, was present at the dinner and meeting, and gave a report of the finances of the organization.

New Lodge Is Instituted Here

A new lodge, the Unity lodge of the order of Daughters of St. George of California, was instituted, and officers installed, at a meeting held last night at the W. O. W. hall. Grand President Elita Woods of San Francisco, officiated, and a large delegation of San Francisco members was present.

The officers installed were as follows: Mira Thayer, past president; Anna Lansman, president; Clarice Maschio, vice-president; Elizabeth Wright, treasurer; Ellen Banner, financial secretary; Agnes Anderson, recording secretary; Susan Fimm, chaplain; Basile Medlicott, first conductor; Mrs. Houk, inside guard; Mildred Augustine, outside guard; Amy Williams, Jenny Thayer and Millicent Peters, trustees; Irene Williams, pianist; Annie Prouse, district deputy grand president and organizer.

Following the installation an elaborate banquet was served. Plans were made for a whist party which will be held following the class initiation, planned for the next meeting of the lodge, which will be held Wednesday night, March 5.

RESIGNATION DEMANDED BY SENATE LEADERS

Call Made On President Following Republican Conference.

ASK EXECUTIVE TO ACT

Millionaire Is Quizzed On Information Secured From Broker.

WASHINGTON, Feb. 20.—Harry M. Daugherty will resign as attorney general of the United States within twenty-four hours, if his resignation is not already in the hands of the President, it was indicated tonight. Henry Cabot Lodge, Republican leader of the Senate, and Senator George Wharton Pepper, Pennsylvania, as a committee representing their colleagues, called on the President and asked him to demand the resignation of Daugherty. They were closeted with the executive for upwards of two hours in their efforts to have him change his view that he would not let Daugherty out until he has been convicted of wrongdoing. The visit was the result of a conference of a large number of Republican senators last night, when it was decided that the party could not survive the campaign unless the President immediately purged it of all taint of oil.

WASHINGTON, Feb. 20.—President Coolidge was advised today by Senator Lodge of Massachusetts, the Republican Senate leader, that there is a growing sentiment in the Republican Senate organization in favor of the retirement of Attorney General Daugherty.

After Daugherty had publicly defended his critics in a formal statement, Lodge and Senator Pettipiece, Republican Pennsylvania, went to the White House and talked over the whole subject with the President. The Massachusetts senator frankly informed the President of the position taken by those on the Republican side as a result of several conferences within the past few hours.

The consensus of opinion in these conferences was said by those who took part in them to have been that Coolidge should clear his cabinet of the last of those who have been "storm centers of the oil scandal."

Whether the advice of the Senate leaders would be followed was not immediately apparent.

White House officials became increasingly reticent and refused to discuss in any way reports that Daugherty's resignation would be requested.

WASHINGTON, Feb. 20.—Harry Payne Whitney appeared today before the Senate oil committee and was questioned about possible stock transactions by public officials. Whitney, who is a personal friend of Harry F. Sinclair, holder of the Teapot Dome lease, was examined at an executive session. An official stenographer was present and the witness was accompanied by his counsel.

A subpoena for Whitney was issued Sunday, after new information had been laid before the committee members. He had been expected to appear yesterday along with officials of the New York stock brokerage firm of J. J. Benard and Company. Whitney was placed on the stand under oath. He and his attorney, Frank L. Crocker, were met afterward in the committee ante-room by Senator Elkins, Republican, West Virginia.

Whitney's examination by the committee was brief, and Chairman Lenroot said afterward that arrangements had been made to have the committee's accountants examine his books in New York.

Senator Lenroot added that there was no other immediate development in the oil scandal in prospect which would require an early meeting of the committee. Members would not say, however, whether it might be necessary to hold other sessions next Monday, the time set for resumption of the public hearings.

Of State Law**

Information on the state motor vehicle law with reference to vehicles requiring a weight fee, was explained in a communication from W. H. Marsh, chief, division of motor vehicles to Chief Wood, as follows:

First—All vehicles designed for commercial purposes are subject to the weight provisions. This will include roadsters carrying a box for the purpose of hauling tools, equipment, groceries, produce or any other property. It will include all vehicles of a delivery or truck construction.

Second—All vehicles designed or used primarily in the transportation of persons for hire are within the commercial classification. This includes motor buses, taxi-cabs, and other vehicles that may be designed for the transportation of persons, or it may include touring cars or other vehicles used primarily or principally in the transportation of persons for hire.

Third—Any vehicle not so designed, but used primarily or principally in the transportation of property or in the transportation of persons for hire is within the commercial provisions of the California Vehicle Act. Touring cars which may be used occasionally in the transportation of any produce or groceries, or other property and which are used primarily or principally for touring or pleasure purposes, do not come within the commercial classification and should be rated as pleasure vehicles only.

Vehicles used by salesmen in transporting them from one place of business to another, or from one town to another, and in which a sample case may be carried, such vehicle not being designed for hauling property, should be listed and not as a commercial car.

Henceforth the department will not require a weight certificate from Ford or Chevrolet owners carrying a box body. They will be accounted for the commercial rating at the lowest rate without requiring a certificate of weight or notarized affidavit.

Touring cars or roadsters maintained primarily for the transportation of mail or for the delivery of newspapers are within the commercial rating provision, and fee according to the weight of the vehicle should be collected.

"THE COUNTRY KID"

James Curze Film At California Theatre Tonight

The James Curze Paramount picture of the stage success, "To the Ladies," which opened a two days' run at the California Theatre last evening, is the most delightfully human picture Richmond has had. The pleasure of seeing it is radically different from anything heretofore attempted.

The unromantic locale of "To the Ladies" is the Kincaid Piano Factory. The theme of the story is in keeping with the title and has been acclaimed by critics everywhere as an unexaggerated slice of life. It tells of a young wife's interest in her husband's business affairs and her struggle to obtain his promotion to the position of manager of the Kincaid plant. The scene of the salesman's banquet in the production is one of the most humorous ever shown on the screen, as is the episode in the Beebe home, when men come to remove their piano in front of the Kincaids for non-payment of interest due on a loan since invested in a fake farm proposition.

Edward Horton is a riot in the role of Leonard Beebe, while Theodore Roberts runs him a mighty close race for individual acting honors. Misses Eddy and Dresser also give superb characterizations.

Other features on the same program: "The Leather Pouches," new series; Kinogram, visual news of all the world. Larry F. Canelo, at the Mammoth California organ, playing southern melodies.

Two Hold-Up Suspects Taken

SAN FRANCISCO, Feb. 20.—Their pockets filled with much money, checks, securities and gold, two men, suspected of being members of a bank-robbing gang, which has looted banks in this city and Los Angeles, were arrested today by city detectives, who trailed them to the Sutter street apartment of Miss Cherie Harris. She admitted friendship with one Britman, whom the police in the South charge with being one of the gang.

The pair, held on charges of burglary and robbery, are Parker Millsack of Los Angeles, and Leo Slasco of San Francisco. They were captured when Detectives Powell, Richards and Kalmback with Burns agency operatives, went to Miss Harris' apartment. Millsack was found there and was at once taken into custody.

Millsack had \$4,000 in currency, \$4,000 in negotiable paper and jewelry on his person. Slasco, who appeared at the place while the detectives were there, was found in possession of a quantity of gold, which had apparently been melted into nugget form from jewelry.

These men are believed, the police said, to have had a part with the gang in the recent robbery of the Bank of Italy, Castro and Market street branch, which yielded \$7,000 and in Los Angeles of the Provident Loan Association robbery, February 9, when the plunder ran into \$200,000. Other robberies laid to the gang are the Norwalk Commercial and Savings bank, \$13,000, and the First National Bank of Maywood, \$3,000. The stuff recovered, the detectives said they believed, was from the Provident and the Bank of Italy holdups.

Howdy folks! The man who follows, is always behind...

"A friend in a strange town looks like a dollar in a collection plate."

A Richmond woman tells us over the telephone that she thinks it's funny that she hasn't missed the vice-president at all.

Bill boards are not the most artistic things in the world. But a billboard is usually a big improvement on what it conceals.

The man who can bottle up his wrath at all times is a corker.

One of the things you cannot deposit at the bank is a promise.

We would hate to be like some people and feel so holy that we would refer to the sinners as "They" and refer to saints as "We."

An open mind is as good as an open mouth.

Dresses are said to reach the instep now, but it's surprising what high insteps most of the girls have, especially when seated.

A Richmond woman believes in her husband so explicitly that she even believes him when he tells her he has to go to Pinole to get a new spark plug.

God loves a cheerful giver. Who could possibly love any other kind?

NAVY OFFICER NAMED TO COMMAND SHENANDOAH ON NORTH POLE FLIGHT

America's mammoth rigid airship, which is to start on her trip of Polar discovery and exploration on June 1, will be commanded by Lieut. Commander Zachary Lansdowne. He replaces Commander Frank R. McCrary. At the time of his designation, orders approved by Secretary of the Navy Denby made a clean sweep of the Shenandoah. These changes followed reports that dissension among the officers might interfere with the success of the North Pole flight.

SOCIAL MEETING TODAY

The regular social meeting of the Ladies' Aid of the First Methodist church will be held today, instead of Friday, according to an announcement made last night. RHEUMATISM PAINS ARE NOW IN SEASON

Rheumatism is easier to avoid than to cure. It is a well-known authority. We are advised to dress warmly, keep the feet dry, avoid dampness, and above all, drink plenty of good water and avoid eating sweet or acid food.

Rheumatism is caused by body waste and acids resulting from food fermentation. It is the function of the kidneys to filter this poison from the blood and excrete it in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the tenders to do double work; they become weak and sluggish and fail to eliminate this waste, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about half ounce of Epsom salt. Take a spoonful in a glass of water, or drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove waste matter, also to stimulate the kidneys, thus often riding the blood of rheumatic poison from the acid of grapes and onions.

Bad salts are inexpensive, and it is used with excellent results. Tonic juice, combined with little by thousands of folks who are subjected to rheumatism.

Funds For Road Work Are Limited

SACRAMENTO, Feb. 20.—A statement declaring that the time is not far distant when the problem of financing state highway construction in California must be met squarely and that the state highway engineer "are not now seeking to have enacted any particular scheme of taxation," was issued here by the highway commission and State Engineer H. M. Norton.

"At the present time," the statement said, "state highway bond funds are nearing exhaustion. Funds available for primary construction, amounting to some \$12,000,000, are in most part federal, all funds accruing to the state from the federal government, as the state's share of the cost of federal construction, are ready to be expended or under way.

Maintenance and reconstruction funds are provided by the state's half of the motor vehicle fees and the gasoline tax. The other half goes to the counties. Funds from this source, under present law for many years will be required for imperative reconstruction work.

"The state's share of motor vehicle fees and gasoline tax funds, can not be used for new construction, and when federal aid funds are exhausted, primary construction will stop unless additional funds from some other source are provided.

Continuing, the statement said: "State highway bonds sold to date total \$700,000,000. It will be 10 years before the state completes payment of interest and principal on these bonds, and the ultimate cost to the people will be some \$150,000,000.

Mary Carr Stars In "Broadway Broke" At Macdonald

In one of the most human documents ever written about the life of those who exist on New York's Great White Way in the Roaring Forties, Earl Derr Biggers describes the rise and fall of a wonderful character who goes "Broadway Broke."

Taking that significant theme, along with the story, Murray W. Gasson has made a special production, released by Selznick Distributing Corporation, which comes to the Macdonald theater tonight.

Satisfied that the story would tell the world the truth about Broadway, Mr. Gasson sought only the proper artists to interpret the characters. In a brilliant stroke he selected Mary Carr, the "Ma Benton" of "Over the Hill," for the leading role. By strange coincidence the story of "Broadway Broke" is almost a narrative of her own life, step by step through the Roaring Forties.

Then, Percy Marmont, the brilliant young star of "If Winter Comes," from A. S. M. Hutchinson's novel, was chosen to play the masculine lead and a powerful cast was named to support them. This group includes Maclyn Arbuckle, Macey Harlan, Dore Davidson, Billy Quirk, Albert Phillips, Gladys Leslie, Henrietta Crossman, Sally Crute, Edward Earle, Pierre Gendron, and Leslie King.

The production was directed by J. Searle Dawley. Story from the Saturday Evening Post.
